Extension of Event Suspension Period (Updated)

SMS Co., Ltd. (Representative Director: Natsuki Goto) and its subsidiaries (“SMS Group”) have stopped holding events since February 26, 2020, due to the concern regarding the spread of the novel coronavirus (COVID-19).

In response to the government’s emergency declaration following the spread of COVID-19, we have decided to extend the suspension period until June 30, 2020.

Going forward, we will consider when to resume the events while carefully monitoring the situation.

With the top priority on ensuring the health and safety of employees and their families, as well as customers, business partners and other stakeholders, and on preventing the further spread of COVID-19 infections, SMS Group is taking necessary measures to contribute to society through its business activity. We will continue to take appropriate actions based on governmental policies and action plans while monitoring changes in the situation.

We sincerely appreciate your understanding and cooperation.
